

Empowering women to start, operate, and grow businesses.

Women Entrepreneurs (WE) NYC's free services are available across the five boroughs and in multiple languages.

WE CONNECT MENTORS

Join successful women entrepreneurs as they share their expertise and answer your business questions during weekly in-person sessions. In-person sessions are designed for small groups to gain and share knowledge with a mentor and other local women business owners.

WE CONNECT EVENTS

Participate in our event series featuring opportunities to network with other women business owners through small group discussions and brainstorming sessions. The small group conversations are facilitated by a WE Connect Mentor and events typically begin with inspiring speeches from successful women entrepreneurs like Nely Galán and fashion designer Norma Kamali.

WE MASTER MONEY: CREDIT

Learn how to improve and understand your credit and its impact on your business in our workshops. Participate in up to three personal one-on-one financial counseling sessions with a certified financial counselor.

WE MASTER MONEY: FUNDING

Discover and understand financing options for your business, how to talk to investors, and meet representatives from alternative lending sources at our workshops.

WE MASTER LEADERSHIP

Learn about tools and tips to help you master negotiation skills, craft a formal business pitch to win new business, and hone collaborative leadership skills.
